SECONDARY IDEAS

Teacher challenge
Students donate to vote for a funny challenge for teachers to complete (for example wearing a costume, getting slimed, or taking part in a silly race)

Sport Tournament
Organise a football, basketball or netball tournament between classes or year groups. You could also include a teachers versus students game.

Fittness Challenge
Students raise sponsorship for running, skipping, rowing, cycling or completing a step challenge for example.

Hold a bake sale and raffle

One of the most popular ways to raise money, get the school together and enjoy a treat and why not add a raffle or tombola to go alongside it.

Talent Show or Battle of the Bands
It's great fun for kids and teachers! Students perform music, dance or other talents with tickets sold for spectators.

Car Wash
Students offer car washing in the school car park for donations from teachers and parents.

Film afternoon or movie night
Students make a donation to watch a film of their choice and you could sell snacks and drinks to go with it.

None Uniform day
Students donate to wear their own clothes instead of school uniform. You could take it to the next level by making it a fancy dress option.

Invite us to an event
We would love to come along to one of your events and hold a stall on behalf of the charity.

We could run a raffle, host a guess the number game or spin the wheel game or come up with an idea together that works for your school.
